A special land use permit is a means by which the City Council gives special consideration, pursuant to a clear set of standards and criteria, to those types of uses which may or may not be compatible with uses and structures authorized as of right within a particular zoning district. Special land use permits are required for uses that have operational characteristics and/or impacts that are significantly different from the zoning district's principal authorized uses and therefore require individual review pursuant to the standards and criteria set forth in the City's Zoning Ordinance. Special land use permit applications shall be authorized only for those uses specifically listed in the applicable zoning district regulations as permitted by special land use permit. An applicant desiring to apply for a special land use permit authorized within a district contained within the Zoning Ordinance shall file an application with the department of planning. The City Council, following recommendation by the planning commission, shall determine whether the proposed use, in the particular location contemplated, meets the standards and criteria set forth in this division and Chapter. Such uses may further require, and the City Council shall be authorized to impose, special conditions in order to assure their compatibility with surrounding uses and to minimize adverse impacts of the use on surrounding property.

The Special Land Use process for the City of Dunwoody involves two Public Hearings. The first meeting occurs in front of the Planning Commission and the second is before the Mayor and City Council. The Planning Commission meets the 2nd Tuesday of each month at 7:00 p.m. at the Dunwoody City Hall, located at 41 Perimeter Center East, Dunwoody, GA 30346. At that hearing, the Planning Commissioners review the applicant's submittal materials and a report generated by city staff related to the proposal. During the Public Hearing portion of the meeting, the applicant presents the proposal to the Planning Commission and answers questions posed by the Commissioners, and the public at-large is entitled to speak in support or opposition to the application. The commissioners' deliberations are transmitted to the Mayor and City Council in the form of a non-binding recommendation to approve the application, approve it with conditions, or deny the application. Following the Planning Commission Public Hearing, the application will be heard in front of the Mayor and City Council on the fourth Monday of the same month for a final decision based on the applicant's submittal information, the report generated by city staff, and the non-binding recommendation from the Planning Commission.

To initiate a request for a Special Land Use Permit within the City of Dunwoody, an applicant must attend a pre-submittal meeting with the city Planning & Zoning staff. Those meetings occur weekly on Thursday mornings. The purpose of the pre-submittal meeting is to establish an expectation on the part of both staff and the applicant for the special land use process. At the meeting, the applicant should display any preliminary site plans and/or other illustrative documents as necessary. The applicant will then detail an overview of their proposed application and their reasoning for why the application is necessary. Staff can then inform the applicant of the City's process to affect the change proposed, and offer a preliminary analysis of the feasibility of the proposal, including ways upon which the proposal may need improvements or revisions.

Following the pre-submittal meeting, applicants can submit their application and required supplemental materials (detailed in the following checklist) to the Community Development Department, located at 41 Perimeter Center East, Dunwoody, GA 30346. Our mailing address for correspondence is P.O. Box 888074, Dunwoody, Georgia 30356. Public notification of the pending action (in a conspicuous location on the subject property and via US Mail) is the responsibility of the City. In all cases, legal advertisements in the City's legal organ (currently the Dunwoody Crier) shall be placed by the City no fewer than 45 days prior to the Mayor and City Council meeting, and not less than 15 days prior to the Planning Commission meeting.
